RLA International Internship Program 2018

Dear Sir/Madam:

Ricky Liu & Associates (RLA) is pleased to offer an international internship program to students for the exchange of culture, ideologies and architectural practices. Our vision is to develop a refined group of individuals and help them focus on their careers. We provide for them in three areas during their stay:

1. A Networking Arena
   a. Students will meet their peers from the United Kingdom, the Netherlands, Switzerland, France, the United States, Australia, Japan, Singapore, Hong Kong and Taiwan.
   b. Students will be immersed in traditional Chinese culture and experience the Taiwanese lifestyle.

2. A Challenging Work Environment
   a. With personalized training.
   b. Regular hands-on participation on RLA projects.

3. Complimentary Room and Board
   a. Housing will be arranged for the program’s duration.
   b. RLA will cover food and rent for the program’s duration.

RLA will support an extensive cultural and educational program for our interns. We cordially invite you to extend this program to students who would be interested in embarking on a cultural and educational exchange.

We value the collaboration with you and hope to work with the nascent talent it has to offer.

Warmest regards,
Department of Education Outreach
